BIDDER DECLARATION (GSPD-05-105)

All suppliers must complete the Bidder Declaration GSPD-05-105 and submit it with the bid response. When completing the declaration, suppliers must identify all subcontractors proposed for participation in the contract; this includes equipment manufacturers, equipment distributors and resellers. A subcontractor is any person, firm, corporation, or organization contracting to perform any part of the prime's contract. Suppliers awarded a contract are contractually obligated to use the subcontractors for

the corresponding work identified unless the State agrees to a substitution, and it is incorporated by amendment to the contract. All certified small businesses (SBs) and/or Disabled Veteran Business Enterprises (DVBEs) must perform a “commercially useful function” in the performance of the contract as defined in Government Code Section 14837 (d)(4).

SB / DVBE CERTIFICATION

The DGS Procurement Division, Office of Small Business and DVBE Services (OSDS) is the state’s certifying agency. Suppliers claiming preferences/incentives must provide their California SB/MB/DVBE certification number on page 1 of this RFQ. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the bid due date and the OSDS must be able to approve the application as submitted. SB/Nonprofit Veteran Service Agencies (NVSA’s) must possess certification by California prior to the day and time bids are due. Online applications are located on the [Cal eProcure](https://www.calprocure.ca.gov) website. Questions regarding certification should be directed to the OSDS at OSDSHelp@dgs.ca.gov or (916) 375-4940.

SMALL BUSINESS PREFERENCE

Section 14838 et seq. of the California Government Code requires that a 5% preference be given to bidders who qualify as a certified small business. If applicable, claim the small business preference by providing the small business certification number on page 1 of this RFQ.

SMALL BUSINESS NONPROFIT VETERAN SERVICE AGENCIES (SB/NVSA)

SB/NVSA prime bidders meeting requirements specified in the Military and Veterans Code Section 999.50 et seq. and obtaining a California certification as a small business are eligible for the 5% small business preference. If applicable, provide certification number on page 1 of this RFQ.

NON-SMALL BUSINESS SUBCONTRACTOR PREFERENCE

A 5% preference is available to a non-small business claiming 25% California certified small business subcontractor participation. If applicable, identify the small business subcontractor information and percentages on the Bidder Declaration (GSPD-05-105) form and indicate you are claiming the preference on page 1 of this RFQ.

DVBE PROGRAM REQUIREMENTS

The State has established goals for DVBE participation in State contracts. The intent of the DVBE participation requirement and incentive is to encourage DVBE certified suppliers to participate in bidding opportunities, and to encourage non-DVBE firms to seek and include DVBE’s as subcontractors. For the purposes of this solicitation, the department elects to exempt the DVBE Program Requirements, but opts to include the DVBE Incentive. This solicitation does not include a required minimum DVBE participation percentage or goal.

DVBE INCENTIVE

A DVBE incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply a DVBE bid incentive to bids that propose a California certified DVBE participation as identified on the Bidder Declaration, GSPD-05-105, and confirmed by the State. Bidders that fail to submit the required Bidder Declaration to confirm the level of DVBE participation will not be eligible to receive the DVBE incentive. The DVBE incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. The net bid price of responsive bids will be reduced, for evaluation purposes only, by the amount of DVBE incentive as applied to the lowest

net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the DVBE incentive will be California certified small businesses.

The following incentive percentages will apply to this solicitation:

Confirmed DVBE Participation of:	DVBE Incentive:
5% or over	5%
4% to 4.99%	4%
3% to 3.99%	3%
2% to 2.99%	2%
1% to 1.99%	1%

To attain DVBE participation, bidders must commit to meet or exceed the DVBE participation percentage by either:

Method A1: Bidder is a California certified DVBE and commits to perform the participation amount with its own resources or in combination with another DVBE(s), or;

Method A2: Bidder is not a California certified DVBE but commits to using DVBE(s) as subcontractor to perform the participation percentage of the contract bid amount.

At the State's option prior to award of the contract, a written confirmation from each DVBE subcontractor identified on the Bidder Declaration must be provided. As directed by the State, the written confirmation must be signed by the bidder and/or the DVBE subcontractor(s). The written confirmation may request information that includes but is not limited to the DVBE scope of work, rate and conditions of payment, total amount to be paid to the DVBE, etc. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.

DVBE DECLARATIONS (DGS PD 843)

Per the Military and Veterans Code Section 999.2, the DVBE Declarations (DGS PD 843) must be completed and signed by all disabled veteran business owner(s) and disabled veteran business manager(s) when a DVBE contractor or subcontractor will provide materials, supplies, services, or equipment. When applicable, the completed form must be included with the bid response.

DVBE SUBCONTRACTING – REPORTING REQUIREMENTS

Contractor understands and agrees to comply with the requirements set forth in Military and Veterans Code Section 999 et seq. Should award of this contract be based in part on their commitment to use the Disabled Veteran Business Enterprise (DVBE) subcontractor(s) identified in their bid or offer, per Military and Veterans Code section 999.5 (g), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by both the awarding department and the Department of General Services (DGS) prior to the commencement of any work by the proposed subcontractor. Changes to the scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment. Failure of Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State, and penalties as outlined in MVC Section 999.9; Public Contract Code (PCC) Section 10115.10

Upon completion of this Contract, the department requires the prime contractor to certify information using the [Prime Contractor's Certification – DVBE Subcontracting Report \(STD 817\)](#). If for this Contract, the Contractor made a commitment to achieve the DVBE participation goal by subcontracting to a DVBE, the Department will withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, until the Contractor complies with the certification requirements above. A Contractor that fails to comply with the certification requirement shall, after written notice, be allowed to cure the defect. Notwithstanding any other law, if, after 30 calendar days from the date of written cure notice, the prime contractor refuses to comply with the certification requirements, the department shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (MVC § 999.7)

A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (MVC § 999.5(d); Govt. Code § 14841)

Contractor agrees to comply with the rules, regulations, ordinances, and statutes that apply to the DVBE program as defined in Section 999 of the MVC, including, but not limited to, the requirements of Section 999.5(d). (PCC Code § 10230)

DVBE subcontractors will be notified at the time of award that their firm has been listed for participation in an agreement. Upon request, the prime contractor shall also provide proof of payment to the DVBE for subcontractor work.

TIRE-DERIVED PRODUCTS PREFERENCE

Per Public Resources Code (PRC) section 42890 et seq., a 5 percent (5%) recycle preference is available for recycled tire products (also known as tire-derived products). When evaluating bids, application of the tire recycle preference is only applicable if both virgin products and recycled content products (RCP) are acceptable for a line item. Should only recycled content products be bid, then the preference is not calculated. Should a solicitation include a mix of line items containing both qualified and non-qualified tire-derived RCPs, the preference shall only apply to qualified line items. If line item awards are made, the preference shall be applied, to the extent possible, so as to maximize award to bidders proposing recycled tire products (PRC section 42892).

RECYCLED CONTENT PRODUCTS

State agencies are required to report purchases in many product categories. In order to comply with those requirements, suppliers are required to complete and return the attached Postconsumer Recycled-Content Certification form (CalRecycle 74) with their bid response. Failure to complete and return the form may disqualify your bid from consideration. More information is located at: <http://www.calrecycle.ca.gov/BuyRecycled/StateAgency/>.

PAYEE DATA RECORD (STD. 204) AND CDCR SUPPLEMENT

The successful bidder *may* be required to submit a Payee Data Record, STD. 204, and/or a CDCR Supplement Vendor Payee Data form listing payee information and their Taxpayer Identification Number (upon request prior to award if currently not on file with CDCR or if there are business information updates needed).

PCC §10295.4. Contractors included on tax delinquency lists; contracts void and unenforceable; (a) Notwithstanding any other law, a state agency shall not enter into any contract for the acquisition of goods or services with a contractor whose name appears on either list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Effective January 1, 2009, CDCR generally cannot contract with “scrutinized” companies that do business in the African nation of Sudan, as described in PCC §§ 10475 -10478. A company that currently has (or within the previous three years has had) business activities or other operations outside of the United States must certify that it is not a “scrutinized” company when it submits a bid or proposal to CDCR. A scrutinized company may still submit a bid or proposal for a contract with CDCR if the company first obtains permission from the DGS.

CALIFORNIA SELLER’S PERMIT

If applicable, award will be contingent upon providing your company’s California retailer’s seller’s permit number or certification of registration and, if applicable, the permit or certification of all participating affiliates, issued by the California Department of Tax and Fee Administration (CDTFA), pursuant to all requirements as set forth in §§ 6487, 7101 and sections 6452.1, 6487.3, 18510 of the Revenue and Taxation Code, and Section 10295.1 of the Public Contract Code. In order to expedite the process of verifying the validity of the permit, provide the CDTFA issued seller’s permit number on page 1 of this RFQ or attach a copy of the permit with your bid response.

RESPONSIVE BID

A bid that clearly substantiates compliance, without material deviation, with all specifications, requirements, and the terms and conditions of the solicitation. If a bidder has been determined to be non-responsive, the bid shall be rejected.

RESPONSIBLE BIDDER

Bidders may be required to submit further evidence of their qualifications at such times and under conditions, as it may deem necessary. If a bidder has been determined to be non-responsible, the bid shall be rejected.

BID EVALUATION – TIE BETWEEN BIDDERS

In the event of a precise tie between bidders, the CDCR procurement official will conduct a coin toss. At least one witness must observe and document the coin toss. Affected bidders will be given the opportunity to attend the tie breaker coin toss. An email notification will be sent to the affected bidders at least 24 hours before the coin toss is conducted.

Note: In the event of a precise tie between the bid of an SB/MB and the bid of a DVBE that is also a SB/MB, the award shall go to the DVBE that is also an SB/MB. (Reference GC section 14838 (f) and 2 CCR section 1896.8(f)).

Note: Recycled tire product contracts will be awarded to the bidder whose product has the greatest percentage of recycled tire content if the fitness, quality, and price are equal. (PRC section 42894) “Recycled tire product” means a product with not less than 50 percent of its total content derived from recycled used tires. (PRC section 42890).

SUPPLIER TERMS AND CONDITIONS / QUOTATION ATTACHMENTS

Quote responses that reference a supplier’s own terms and conditions, legal terms, or provisions that conflict with the State’s General Provisions shall be considered non-responsive and will be rejected. The state objects to and will not evaluate or consider any additional terms or conditions submitted by a bidder.

CONFIDENTIALITY

During the evaluation of bids received in response to a competitive solicitation and prior to contract award information relating to bid evaluation is confidential. Any disclosure of confidential information by the bidder during the procurement process is a basis for rejecting the bidder’s proposal and finding the bidder ineligible. Total confidentiality during the procurement process is vital to preserve the integrity of the process.

LOSS LEADER

It is unlawful for any person engaged in business within this state to sell or use any article or product as a “loss leader” as defined in § 17030 of the Business and Professions Code. A “loss leader” is any article or product sold at less than cost: (a) where the purpose is to induce, promote, or encourage the purchase of other merchandise; or (b) where the effect is a tendency or capacity to mislead or deceive purchasers or prospective purchasers; or (c) where the effect is to divert trade from or otherwise injure competitors.

CHANGE ORDERS/AMENDMENTS

Any purchase order resulting from this quote may be amended, modified (within the scope of the original agreement), or terminated at any time by mutual agreement of the parties in writing. Change orders amending, modifying, or terminating the purchase order, including modifications of compensation payable, may only be issued by an authorized State Procurement Official. All such change orders shall be in writing and issued only upon written concurrence of the supplier.

By submitting a bid or proposal, Contractor represents that it is not a target of Economic Sanctions. The State reserves its right to seek any and all relief to which it may be entitled to as a result of such non-disclosure. Upon receipt of a Bidder/Offeror/Contractor GenAI Reporting and Factsheet (OBS 1000), the state reserves the right to incorporate GenAI Special Provisions into the final contract or reject bids/offers that present an unacceptable level of risk to the State.

Postconsumer Recycled-Content Certification

To be completed by the State agency	
State Agency:	
Purchasing Agent:	PO #:
Phone:	E-mail:

The State Agency Buy Recycled Campaign (SABRC) is a state mandated program that requires the reporting of all purchases made within 16 specified product categories. All state agencies are required to verify the recycled-content of all products purchased within each of these categories.

All businesses shall certify the minimum percentage in writing to the contracting officer or his or her representative, if not the exact percentage, of postconsumer recycled-content (PCRC) material in the products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the minimum content requirements specified in law (see reverse side). The certification shall be furnished under penalty of perjury. The certification shall be provided regardless of content, even if the product contains no recycled material. A State agency may waive the certification requirement if the percentage of postconsumer material in the products, materials, goods, or supplies can be verified in a written advertisement, including, but not limited to, a product label, a catalog, or a manufacturer or vendor Internet website.

GenAI Reporting and Factsheet Instructions

Please use the following definitions and instructions to complete the GenAI Reporting and Factsheet:

1. Provide a brief overview of the workload that is being performed.

Instruction: Briefly describe what this workflow does, who performs it, and the tasks involved.

Example: Evergreen Health provides drug counseling to the incarcerated. The Evergreen Health clinicians meet with patients on a weekly basis. During the intake process, clinicians ask their patients a suite of questions about their medical and personal history. This information is input into the Evergreen Health patient platform. Throughout the patient's recovery, the clinician will input their notes into the patient portal.

2. Which aspects of the workflow will the GenAI support and how will you use GenAI?

Instruction: Briefly describe what steps involved in the workflow GenAI will augment or replace. Specify exactly what GenAI will do and what steps of the workflow humans will still perform.

Example: The Evergreen Health patient portal uses GenAI to generate recommendations and an overall patient plan for each patient based on the collected patient data. As clinicians add notes from their weekly sessions, the portal will modify the plan or recommendations with the new data. The clinicians use the information provided by the patient portal to guide their patients to a successful recovery.

3. How is the GenAI solution delivered?

Instruction: Specify exactly how GenAI solution will be delivered (*Software Installation (end-user or server), Web Browser, Infrastructure as a Service, Platform as a Service, Software as a Service, or Other and explain how it will be delivered*).

Example: Evergreen Health has GenAI software installed on their servers that connect to the patient portal to generate recommendations and overall patient plans.

4. How will users access the solution?

Instruction: Describe how end users, including your staff or CDCR staff, will access the GenAI features. If users do not directly interact with the GenAI, describe how their inputs or data interact with the solution.

Example: Evergreen Health clinicians access their patient management portal via a web browser on Evergreen Health devices. No CDCR staff access the platform.

5. What types of data will this business process use?

Instruction: Identify the type of data that will be processed, stored, or transmitted by this solution.

Example: Medical history, social security number, name, phone, address, education history

6. Will there be tailored training and specific rules of engagement for stakeholders to ensure proper usage of the system, with adherence required for each use case?

Example: Yes
